At **Purple Lime Creative** we understand the need to create impact, give clarity and achieve consistency across your business communications.

What have you got to lose?

We pride ourselves on being very competitive with over 23 years of experience in design and print. We focus on your requirements and tailor our creativity to deliver the right result on time and on budget.

Our door is always open

*"The hardest thing to see is
what is in front of your eyes."
Johann Wolfgang Von Goethe*

We can create the most exciting concepts and designs, whether it be for print or web, write articulate copy and print vibrant artwork so we can get your ideas across and deliver the right message to the right people in a clear and concise manner.

"Graphic design is the paradise of individuality, eccentricity, heresy, abnormality, hobbies and humors."

George Santayana
